

# New Beginnings

THREE HOURS ♦ THREE SUNDAY MORNINGS ♦ LIFE-CHANGING RESULTS

New Beginnings 101, 201 & 301 is:

**Convenient** – Three classes, each lasting 60 minutes, offered on three consecutive Sunday mornings, while people are already at church.

**Continually useful** – Brings all current congregants to a new level of understanding of their church and their role within it –also for future newcomers.

**Specific to each congregation** – it can be tailored uniquely to your church.

**Theologically sound** – References from Scripture and a wide range of Christian writers reinforce each presentation.

**Collaborative** – Both clergy and lay people make presentations.

**Needed** – The “jump start” all churches seek to transform marginal members and attract newcomers to a dynamic, ministry- and mission-driven community.

**Leads to Stewardship** – With a commitment to ministry naturally comes the desire to support the church.

If you've been looking for a simple, straightforward program to:

- 1.) ENLIVEN your church
- 2.) Give a new and exciting **VISION** of what it is to be a Christian in today's world
- 3.) Help your congregants find their unique **MINISTRY** in the church and surrounding community -

**New Beginnings 101, 201, 301  
Is for you!**

**Is New Beginnings right for my church?**

New Beginnings is designed for use in any church, regardless of size, location, or facilities that is looking for a way to engage their members. We are well aware that a small percentage of our congregants are active and perform the majority of the work and ministries in our churches and in our communities at large. This leaves the vast majority of our people without a means to live out what is already burning deep within their hearts -- the desire to be closer to God in service to others. New Beginnings 101-201-301 was designed especially for them, so they might ignite this "living flame."
